

## CERTIFICATE OF APPROVAL

This is to certify that the Environmental Management System of:

**International Nuclear Services  
Warrington, Cheshire  
United Kingdom**

has been approved by Lloyd's Register Quality Assurance  
to the following Environmental Management System Standard:

### ISO 14001: 2004

The Environmental Management System is applicable to:

**Provision of nuclear fuel related contract management and transportation services, primarily on behalf of the Nuclear Decommissioning Authority, to customers located principally in the United Kingdom, continental Europe and Japan. Services include: the identification of new business opportunities and sales; contract management for nuclear fuel recycling services; the transportation of radioactive materials incorporating the requirements of TS-G-1.1 and the provision of related package approvals, engineering and safety advisory services; operation of Barrow Marine Terminal; transportation of general non-radioactive materials.**

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

This certificate forms part of the approval identified by certificate number LRQ 0939700

Approval  
Certificate No: LRQ 0939700/B

Original Approval: 10 July 1997

Current Certificate: 20 April 2010

Certificate Expiry: 19 April 2013

Issued by: Lloyd's Register Quality Assurance Limited
