

CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

**International Nuclear Services Ltd
Warrington, Cheshire
United Kingdom**

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standards:

BS EN ISO 9001:2008

The Quality Management System is applicable to:

Provision of nuclear fuel related contract management and transportation services, primarily on behalf of the Nuclear Decommissioning Authority, to customers located principally in the United Kingdom, continental Europe and Japan. Services include: the identification of new business opportunities and sales; contract management for nuclear fuel recycling services; the transportation of radioactive materials incorporating the requirements of TS-G-1.1 and the provision of related package approvals, engineering and safety advisory services; operation of Barrow Marine Terminal; transportation of general non-radioactive materials.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

This certificate forms part of the approval identified by certificate number LRQ 0939700

Approval
Certificate No: LRQ 0939700/A

Original Approval: 23 November 1994

Current Certificate: 20 April 2010

Certificate Expiry: 19 April 2013

Issued by: Lloyd's Register Quality Assurance Limited

001

This document is subject to the provision on the reverse

71 Fenchurch Street, London EC3M 4BS United Kingdom. Registration number 1879370

This approval is carried out in accordance with the LRQA assessment and certification procedures and monitored by LRQA.

The use of the UKAS Accreditation Mark indicates Accreditation in respect of those activities covered by the Accreditation Certificate Number 001
