CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

**International Nuclear Services
Hinton House, Risley
Warrington, Cheshire
United Kingdom**

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standards:

ISO 9001:2015

The Quality Management System is applicable to:

Provision of nuclear fuel related contract management and transportation services, primarily on behalf of the Nuclear Decommissioning Authority, to customers located principally in the United Kingdom, continental Europe, USA and Japan. Services include: the identification of new business opportunities and sales; contract management for nuclear fuel recycling services; the transportation of radioactive materials incorporating the requirements of IAEA SSG-26 and the provision of related package approvals, engineering and safety advisory services; operation of Barrow Marine Terminal.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

This certificate forms part of the approval identified by certificate number LRQ 0939700
